

December 4, 2020

Dear CCCTC Students and Families:

As you may be aware, Conneaut Area and Penncrest School Districts will be re-starting their hybrid models on Monday, December 7th, 2020. As a result, the Crawford County Career and Technical Center will also re-start our hybrid model on the same day, Monday, December 7th, 2020. The Crawford County Career and Technical Center will accept any students that can come to the school Monday through Thursday during their normal session (A.M or P.M.), with Fridays continuing to be all virtual. Crawford Central School District will remain completely virtual at this time, but their students may still attend the Crawford County Career and Technical Center.

If you have any questions, please do not hesitate to contact your son or daughter's high school office or our office at (814) 724-6024.

Sincerely,

Kevin L. Sprong
Director
