

Crawford County Career & Technical Center

Practical Nursing Program

CARES Act Grant Award

05/04/2020

The Crawford County Career & Technical Center (CCCTC) Practical Nursing Program has received \$24, 927.00 from the CARES Grant for students. CCCTC recognizes that all students attending the Practical Nursing Program during the Covid-19 pandemic are experiencing financial hardship with expenses related to the disruption of campus operations. CCCTC has determined that the grant funds will be divided equally among the Title IV eligible students who qualify.

A student must meet all criteria listed to qualify:

- A student who is currently enrolled in CCCTC's PN certificate program on or after May 5, 2020.
- A student who is or could be eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, as amended (HEA), may receive emergency financial aid grants. If a student has filed a Free Application for Federal Student Aid (FAFSA), then the student has demonstrated eligibility to participate in programs under Section 484 of the HEA. Students who have not filed a FAFSA but who are eligible to file a FAFSA also may receive emergency financial aid grants. (All current CCCTC students are eligible)
- A student who has been adversely impacted by the Covid-19 pandemic and has an emergency need.
- Must be a US citizen or must meet the definition of an eligible non-citizen based on federal financial aid requirements.
- The funds must be used to cover expenses related to the disruption of campus operations due to the coronavirus that have impacted a student's educational experience, including the allowable expenses listed below.

These emergency grant funds will assist students with expenses including, but not limited to: technology needs, purchase of school supplies, food, housing, utilities, health care and child care expenses.
