

July 23, 2020

Dear Second Year Early Childhood Education Students & Parents/Guardians,

The 2020-2021 school year is just around the corner, and I'm very excited to get your senior year started! We all know that things are going to look a little different this year, but we will get through this together! If you have not already reviewed CCCTC's plan for return, please do so by visiting our website. And please let me know if you have any questions. I know we ended last year in a very non-traditional manner, but please be sure to have these items for the first day of school, Wednesday, September 2, 2020.

- **A 4gb flashdrive**
- At least one face mask (what you wear in the preschool, must be appropriate)
- Two 3" three-ring binders
- Two 1" three-ring binders (must be black or white)
- A box of clear plastic page protectors (approx. 200 sheets)
- Scrub tops (pants are optional)

Once again, students will be required to wear scrubs, or ECE approved clothing on all preschool days. Additionally, you will be required to wear a mask in the preschool. You will be required to utilize your locker for your personal items (including cell phone).

In accordance with PA regulations, all Early Childhood Education students are required to obtain their clearances with a physical exam and Tuberculosis (TB) test to ensure the safety and well-being of all students and children. Your clearances were obtained last summer/fall and are still acceptable for use in the Tech Tots Preschool. If any information has changed, please notify me.

I hope we all return healthy, refreshed, energized and ready to tackle your final year! Enjoy the rest of your summer and if you have any questions, please feel free to email me at jvavreck@crawfordctc.org.

Sincerely,

Ms. Julie Vavreck,
Early Childhood Education Instructor & Tech Tots Preschool Director
Crawford County Career & Technical Center
