

July 23, 2020

Dear Landscape & Turfgrass Management Students:

Hope your summer break is going well and you are enjoying the time off. This is just a quick note to help you prepare for the upcoming school year at CCCTC. Soon it will be that time to return to classes and I would like to take a moment to list some of the items you may want to start getting together to prepare for the Landscaping curriculum. Some new expectations have been added.

Work Shoes with a solid sole and *if possible* steel toe. (You must protect your feet) NO FLIP-FLOPS

Work clothes that are *suitable* for outdoor work and various weather conditions. (You will get dirty)

Outdoor coat or Raingear, if possible. (You may get cold or wet)

Personal Work Gloves (You will operate tools, equipment and heavy materials.)

Safety Glasses (You must protect your eyes) One pair will be provided by the school. If lost, it will then be the responsibility of the student to replace and have available at all times. (You cannot work without them)

Water Bottle or reusable cup w/name this is for outdoor activities and the student is responsible for container.

Water only unless approved otherwise.

NO PHONES! NO CHARGING!

FOR SAFETY REASONS THIS WILL BE STRICTLEY ENFORCED

See you soon...

Mr. Morton

Landscaping Instructor CCCTC
